Pet Paradise and Park 'N Fly have teamed up to offer you and your pet the ultimate travel experience the next time you fly out of Bush Intercontinental Airport.

HOW IT WORKS

- ❁ Simply drop off your pet at Pet Paradise located on JFK Blvd. located near Bush Intercontinental Airport and pick up your parking voucher.
- ❁ Then park your car in the uncovered parking section at Park 'N Fly, Intercontinental's premier parking facility (just a mile and a half away from Pet Paradise).
- ❁ A shuttle will whisk you from Park 'N Fly to the terminal and drop you off at your gate.
- ❁ Upon returning from your trip, one of Park 'N Fly's shuttles will arrive within 3 to 5 minutes to bring you back to your car. Shuttles run 24 hours a day, seven days a week.
- ❁ You will then exit Park 'N Fly with your parking voucher. Make sure you present this voucher to the Park 'N Fly cashier to redeem your parking service.
