When Your Pet Stays At Pet Paradise!

Free parking applies to new customers only. Existing customers receive discounted rate of \$3/day.

Pet Paradise and ParkSpace have teamed up to offer you and your pet the ultimate travel experience the next time you fly out of Jacksonville International Airport.

HOW IT WORKS

- ❁ Simply drop off your pet at Pet Paradise located on Pecan Park Rd. N. near Jacksonville Airport and pick up your Quick Card.
- ❁ Upon entering the parking garage, DO NOT PULL A PARKING TICKET, simply use your Quick Card.
- ❁ Then park your car at a reserved VIP parking spot at ParkSpace, Jacksonville Airport's premier parking spot (only 2 miles from Pet Paradise).
- ❁ A shuttle will whisk you from ParkSpace to the terminal and drop you off at your gate.
- ❁ Upon returning from your trip, one of ParkSpace's nine shuttles will either be waiting for you at Post 1 of the arrivals lane or be on its way to bring you back to your car.
- ❁ When exiting the facility, simply insert your card into the exit column in the slot. Remove the card when it comes back out and you can head back to Pet Paradise to pick up your pet!
