

Pets agree,
if you can't be at home,
be in paradise.

The Pet Paradise Experience

A few short years ago, we set out to design a pet-centric resort – the kind of place your pet would choose if he were in charge. Now, with thousands of wagging tails and repeat customers across the South, we're pretty sure we got it right. Here are some of the things our guests (and their owners) love about Pet Paradise.

- Day care and long-term boarding
- Lots of supervised playtime with compatible dogs
- Peaceful, private, 6-level cat condos
- Spacious, climate-controlled indoor/outdoor suites for dogs
- Boned-shaped pool for swimmers
- Synthetic grass play area to eliminate need for pesticides
- Soothing music piped in
- Premium house food served
- Plush bedding

Luxuries For You, Too

As pet lovers ourselves, we know how hard it is for you to leave your pet behind when you go to work or out of town. So in addition to creating an environment pets love, we made sure to include some features for you – to help set your mind at ease and make boarding your pet as effortless and convenient as possible.

- 24/7 drop-off and pick-up at airport locations
- On-site grooming services available
- Web cams so you can check in on your pet
- On-call vet for emergency and added security
- Live-in caretaker to supervise our guests 24-hours a day
- Environmentally friendly with Eco-Quest air purifiers
- Hurricane safety rated facility

Our Staff

At Pet Paradise, we only hire people who are passionate about pets.

Our seasoned management is made up of pet industry veterans, and we provide employees with an extensive company training program. All of our managers are certified by the Pet Care Services Association (PCSA) and every one of our facilities follows the PCSA guidelines.

Grooming Services

“Spa” services are provided daily and include nail trims, ear cleaning, brush outs, full cuts and more. Rates vary based on breed and size of dog. Ask for specific prices upon check in.

Luxury Upgrades

Every luxury resort has them – those little extras that make your stay even more fun and memorable. Pet Paradise is no exception. Ask about special add-ons like ice cream treats, extra playtime, one-on-one play with a staff member and web cams for your peace of mind. Make sure to see our presidential suite, too, where dogs get extra room to spread out and watch their favorite DVDs. And special gifts, pet supplies and gift cards are always on sale in the lobby.

Things To Know Before You Go

- If you choose to provide your own food, please provide pre-measured baggies with feeding instructions.
- Please provide documentation and instructions for any medications your pet requires.
- All guests must provide proof of Rabies and Distemper vaccinations.
- Canine guests must also provide proof of Parvo and Bordetella vaccinations.
- We request that you do not bring bedding from home; we are happy to provide every guest with plush bedding and plenty of toys.

Pricing

Prices vary by location – see PetParadiseResort.com for up-to-date information. Police, fire, rescue and active military personnel, as well as teachers, always receive a 20% discount, and corporate discounts are also available. Ask your human resources contact if your company participates.
